

# Flying to Canada

Repeat of the 7/17/12 session which is filled to capacity. The approximately 1 hour seminar will provide information necessary to plan and fly an international border crossing to and from Canada. Customs procedures, Canadian flight regulations, and required survival equipment will be reviewed.

**Directions:** BEFA is on the west side of Renton Airport off of Ranier Ave. Seminar is being held in the BEFA classroom.

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
